### Circle of Sisters Book

Rita Klaus grew up always knowing that she wanted to be a Catholic nun. She attended Catholic school, sang at mass and had a deep prayer life. She was accepted into a convent at the age of 15 and started down the road she thought God wanted her to be on. Life ended up taking many different turns before she found out what He really had in store for her.

*Rita's Story* reads like a novel, but it's a biography. Around the age of 18, Rita developed signs of Multiple Sclerosis (MS). She experienced remission for a while and served in many places as a nun and teacher. However, the symptoms returned and were so severe that she had to leave the convent and try to live life on her own. She found work as a teacher and experienced one more remission. She met and married a man and had three children before MS struck again. But miracles do still happen and Rita Klaus experienced one by just asking.

### 2018 Religious Retirement Collection

The annual collection for the Retirement Fund will be conducted in our diocese on the weekend of **December 8-9** to correspond with all other dioceses across the nation as we have typically done in years past. Last year our Diocese collected \$116,869 during this collection, and religious institutes, as well as our own Diocesan priests who have served our Diocese, benefited from it. Because of our large unfunded pension liability, the Diocese will again retain the majority of this collection. We will continue to support the religious sisters and brothers who have served in our Diocese by sending a significant gift to the national office. I urge you to continue to support this important and necessary collection.
