New Pastoral Council Members

“The Parish Pastoral Council is a consultative body, pastoral in nature, because it strives to discern the movement of the Holy Spirit among God's people in the parish. A Parish Pastoral Council gives its help to the pastor in fostering pastoral activity; it investigates, under the authority of the pastor, all those things which pertain to pastoral works to ponder them, and to propose practical conclusions about them.”

The Purpose of the Pastoral Council is as follows:

1. To collaborate with the Pastor in studying and weighing those matters which concern the pastoral work of the Parish, and to propose practical conclusions concerning them.
2. To provide a representative and open forum for the full and free discussion of all pastoral matters in order that a true consensus of thought and action may be realized in the process and by which the achievement of the Parish Mission and Vision may be realized.
3. To serve as an effective channel of communication regarding pastoral affairs between the Pastor and the laity and to create a climate of dialogue and cooperation among all people of the Parish.
4. To be a sign and a voice of the People of the Parish to the total community, by initiating, supporting and implementing action for the common good.
