Human Dignity and the Abuse of Language

In the current climate of manipulative language, controlling the narrative, and self-serving misinformation—the author, the news outlet each have their own narrative and agenda.

Pro-Abortion activists use language that may sound positive, however the end result is the same—ending a life of a child.

...Flattery, for Pieper (Abuse of Language, Abuse of Power, author Josef Pieper) is little more than vile manipulation, exploiting the weaknesses of others for an ulterior motive. Flattery often makes use of euphemism, a verbal sleight of hand to make certain ideas more palatable and less offensive, to hide their inhumanity. *Dignitas Infinita* points out a common instance of this manipulative tactic: “Especially in the case of abortion, there is a widespread use of ambiguous terminology, such as ‘interruption of pregnancy,’ which tends to hide abortion’s true nature and to attenuate its seriousness in public opinion” (DI 47). Flattery, in Pieper’s sense, has always been a favorite of the pro-abortion lobby. By its crafty abuse of language, it seeks to manipulate public opinion by relying on words and language that sound appealing, such as “women’s rights,” “right to choose,” “reproductive health,” all while hiding the ugly reality of what it is defending: “procured abortion is the deliberate and direct killing, by whatever means it is carried out, of a human being in the initial phase of his or her existence, extending from conception to birth” (DI 47)...[Human Dignity and the Abuse of Language - Word on Fire](#)

Please continue to pray for an END to abortion. Thank you to all who joined us for the Support Life Rally.

School Choice

Let Them Learn Oregon, a nonpartisan group, is gathering petition signatures for two education measures that will give all students the opportunity to access the school that best meets their learning needs, including Oregon Catholic schools. These measures will improve academics for all students, strengthen all schools, and save taxpayers money. To learn more and to print & sign the petitions please go to LetThemLearnOregon.com

Bishop Cary has authorized all parishes to gather signatures for this petition.

Do you want to volunteer to gather signatures for this very important measure? Please contact the parish office.

Divine Mercy Prayer & Action—This Sunday at 2 PM

The first Pentecost began for us all a new life of listening for the Holy Spirit. St. Faustina stresses the importance of inner silence to be able to hear the voice of God. Her words can be helpful to us all. The Divine Mercy Prayer Group will read and discuss many of these from her Diary this Sunday, at 2 PM in the Youth Room. All are welcome. Additional books are available.

St. Vincent de Paul

Catholic Singles potluck and game night on May 25th after mass

We would like to invite all single members of the parish, young and old alike, from 18 to 118 to check out what we are doing.

We all have at least two things in common, first we are all Catholic and second, whether you have never been married, are divorced, been annulled or are widowed, we are all single.

In the future we would also like to give back to our faith community, possibly hosting coffee and donuts after mass this summer and always looking for ways to help.

This is a great way to meet other members of the Catholic single community, make new friends and have some fun. If you have any questions, please contact Larry Redd 541-892-3350 for more information.
