RCIA Needs Your Help

You may have a friend or family member who has never been baptized or is baptized in another Christian faith. An acquaintance or coworker may have asked you about the Catholic Church. Someone may have indicated to you that they are searching for a sense of community or a desire to know more about your faith.

If you know of anyone like this, please reach out and invite him or her to the RCIA class. A personal invitation is the best way for them to consider attending. Pick up a brochure in the vestibule that provide an outline of what this session is all about.

RCIA is a non-threatening process that does not involve any commitments. The decision to join the Catholic Church is totally up to each person. Please encourage people to come and determine for themselves if this is something for them. Please call Tami at the parish office at 541-884-4242 or Vic Scaravilli at 541-884-6905 for more information.

Is your marriage hurting? Retrouvaille can help!

Not a retreat, not a marriage encounter, but a “working weekend” of learning practical tools for restoring your marriage from:

- Infidelity, gambling or pornography
- Drug and alcohol addiction
- Guilt, psychological trauma and depression
- Financial strain or job loss
- Disinterest in your relationship

Retrouvaille (pronounced retro-vi with a long i) is a program for married couples facing difficult challenges in their relationship, such as pornography, infidelity, isolation, addiction, and loneliness. It is a program to help couples improve their communication.

Oregon Retrouvaille will hold a weekend program for couples struggling in their marriages on September 9-11, 2022 at Mount Angel Abbey Retreat House in Mount Angel, Oregon.

Pope Francis:

Abortion is also a form of the abuse of children

“It is difficult to grasp the phenomenon of the sexual abuse of minors without considering power, since it is always the result of an abuse of power, an exploitation of the inferiority and vulnerability of the abused, which makes possible the manipulation of their conscience and of their psychological and physical weakness. The abuse of power is likewise present in the other forms of abuse affecting almost 85,000,000 children, forgotten by everyone: child soldiers, child prostitutes, starving children, children kidnapped and often victimized by the horrid commerce of human organs or enslaved, child victims of war, refugee children, aborted children and so many others.” – Pope Francis Address at the End of the Eucharistic Celebration at the Meeting “The Protection of Minors in the Church”, February 24, 2019.
