## Faithful Citizenship

... As Catholics and Americans, we are blessed to be able to participate in our nation's political and public life. Our freedoms respect the dignity of individuals and their consciences and allow us to come together for the common good. Election seasons, therefore, should contain a sense of gratitude and hope. Our love for this country, our patriotism, properly impels us to vote...

May God bless you as you consider and pray over these challenging decisions. May God bless our nation with true wisdom, peace, and mutual forgiveness, that we may decide together, through our democratic processes, to uphold the dignity of life and the common good...

## Infant and Pregnancy Loss

The Church calls children “the supreme gift of marriage” (Gaudium et spes, n. 50). Losing a baby, whether through miscarriage or as an infant, is one of the deepest forms of grief and pain that a couple may endure.

Unfortunately, many couples often suffer without any support, as in the case when a couple loses a child before sharing that they were pregnant with others, or insufficient support because family and friends are unsure of what to say or do because of the difficulty and often suddenness of losing one so young.

If you or a loved one has suffered the loss of a child during pregnancy or infancy, know that help and resources are available.
