Although the Eucharist appears to be simple bread and wine, it is actually the "source and summit" of the Christian life. Presence: The Mystery of the Eucharist explores the truth and beauty of Christ's real presence in the Eucharist, from its origins in Sacred Scripture, to its profound role in the life of the Church and her members. It is the crescendo of the entire story of salvation.

Episode 1: God Is with Us

Presence: The Mystery of the Eucharist • 35m

When is the last time you sat down to enjoy a meal with your family or close friends—not just to eat food in close proximity to each other, but to bask in each other's presence and grow in love for one another? For most of us, this doesn't happen at a typical meal. But this is the kind of meal God wants to share with us. This is the kind of meal he has prepared for us and invites us to participate in through the Sacrament of the Eucharist.
